## !!!NEWSLETTER DISTRIBUTION!!!

The 2009 Board members have discussed the cost and effort needed for the distribution of the newsletter. We are requesting to substantially reduce the numbers of hard copies necessary to mail out to the members. If you require a hard copy, please fill out the enclosed form and return to us as specified. Or send an email to [bonkev@wctc.net](mailto:bonkev@wctc.net) to receive this newsletter via email in an Adobe Acrobat version. Also, this newsletter is posted on our website and at the club house.

## LEAGUE CLEAN UP

Thank you to all members participating in Winter leagues. Each indoor league is responsible for cleaning up after each league night. Most of the leagues have a system in place for cleanup responsibilities. Clean up includes, but is not limited to, restocking beer cooler, disposing of trash, sweeping the floor and mopping if needed, washing dishes and disposing of used targets. Remember to turn off the lights, radio, turn down the heat and lock up the cooler.

## ANNUAL VENISON FEED

It's that time of year again! This year's venison feed will be held on Saturday March 21<sup>st</sup>. Doors will open at 5pm and supper is at 6pm. Bring a dish to share and your own table service. If you want to donate venison, you need to bring it in by Thursday March 19<sup>th</sup>. There will be FREE tap beer and cans of soda, until the tap is done, and after cans of beer will be \$1.00 and soda fifty cents. Awards for summer leagues and work incentive program will be given after supper. There will be raffle prizes. All members of 2008/2009 are welcome and encouraged to come – we are looking forward to another good party!

**Donations for prizes are needed...please contact Kevin Garrigan with any donations.**

Once again this year partial proceeds from the raffles will be donated to a worthy cause (USSA). If there is anyone that would like to help with handing out the prizes and raffles, please talk with Kevin or any other board member.

## WORK DATES

A special work party has been scheduled to gather and burn the brush associated with the logging efforts that occurred this last winter, and two annual work dates have been set up for spring cleanup.

**Brush Burning – April 5<sup>th</sup>, 9AM – work is complete.** Beer, soda, and lunch will be provided.

**Spring Cleanup – April 17 and April 24.** There is plenty of work for all dates – your participation is important and is a good way to earn member or open access work hours. Some of the things that need to be done besides the brush cleanup includes: raking pinecones, removing debris, removing dead trees and limbs, etc. Please bring tools to work with, such as rakes shovels and wheelbarrows.

## OPEN ACCESS

Current Open Access members, remember to pay and sign-in before shooting. Please turn lights off and heat down prior to leaving.

To participate in Open Access next year, a member must work 25 hours at the club, 8 of which need to be done during a sanctioned tournament. Members who qualify can use the indoor range for shooting at any time. If you wish to participate in Open Access for the year of 2010, work must be accomplished during 2009. All members can use the outdoor practice range for shooting at anytime – use the gate combination on back of your membership card.

## NEXT BOARD MEETING

The next board meeting is set for Sunday, March 15<sup>th</sup> at 6PM at the clubhouse. Any member is welcome to attend a board meeting at any time. To be added to the agenda, please call Bonnie Garrigan at 886-5020.

## SPECIAL “SMOKING OR NON-SMOKING” BOARD MEETING

It has been brought to the board’s attention that several members are concerned with allowing smoking in the bar area of the clubhouse. The board took a vote at the 2/15/09 meeting on making a decision that night, or publicizing and voting at the May board meeting. On Sunday May 17<sup>th</sup>, at 6PM, the board and members in attendance will vote to determine if the entire clubhouse building will be non-smoking. Please come and present your opinion.

## SUMMER LEAGUES

Summer leagues begin May 7<sup>th</sup> with the Thursday fun shoot on April 30<sup>th</sup>, and will run for 16 weeks to end on August 20<sup>th</sup>. There will be NO rain dates, as the makeup time has extended from Friday through Tuesday. The July 4 holiday week will not be skipped (July 4 is a Saturday). League will start with 8 weeks of 3D, and follow with 8 weeks of Broadhead.
