LEAGUE CLEAN UP

Thank you to all members participating in winter leagues. Each indoor league is responsible for cleaning up after each league night. Most of the leagues have a system in place for cleanup responsibilities. Clean up includes, but is not limited to, restocking beer cooler, disposing of trash, sweeping the floor and mopping if needed, washing dishes and disposing of used targets. Remember to turn off the lights, radio, turn down the heat and lock up the cooler.

HEAD SHOW SATURDAY APRIL 9TH

Please bring your mounts to have them scored or to display your trophy. Anyone that shows up with a head to display or have scored will be eligible to win a .50 cal muzzleloader donated by QDM. We are also looking for anyone to help promote the head show if you are interested in helping contact Mike Bohn 340-9085.

ANNUAL VENISON FEED

It's that time of year again! This year's venison feed will be held on Saturday March 19th. Doors will open at 5pm and supper is at 6pm. Bring a dish to share and your own table service. If you want to donate venison, you need to bring it in by Thursday March 17th. There will be FREE tap beer and cans of soda, until the tap is done, and after cans of beer will be \$1.00 and soda fifty cents. Awards for summer leagues and work incentive program will be given after supper. There will be raffle prizes. All members of 2010/2011 are welcome and encouraged to come – we are looking forward to another good party! **Donations for prizes are needed...please contact Jesse Koeshall with any donations.** Once again this year partial proceeds from the raffles will be donated to **Gettin' Down Central WI** and **All Children Together Playground**. Getting Down Central WI is a non-profit support group helping area families touched by Down syndrome. All Children Together Playground is a project in Wood County to help build a play structure that will have maximum access ensuring that those with visual, cognitive, or motor disabilities will not be excluded. We will also have a collection for the **South Wood Emergency Pantry Shelf**. Bring in non-perishable food items and you will receive a ticket for each item donated. There will be a drawing for a prize. To Learn more about SWEPS there is information attached at the end of this letter. If there is anyone that would like to help with handing out the prizes and raffles, please talk with Jesse Koeshall or any other board member.

WORK DATES

Spring Cleanup – April 14 and April 21. There is plenty of work for all dates – your participation is important and is a good way to earn member or open access work hours.

Some of the things that need to be done include raking pinecones, removing debris, removing dead trees and limbs, etc. Please bring tools to work with, such as rakes shovels and wheelbarrows.

OPEN ACCESS

Current Open Access members, remember to pay and sign-in before shooting. Please turn lights off and heat down prior to leaving. To participate in Open Access next year, a member must work 25 hours at the club, 8 of which need to be done during a sanctioned tournament. Members who qualify can use the indoor range for shooting at any time. If you wish to participate in Open Access for the year of 2012, work must be accomplished during 2011. All members can use the outdoor practice range for shooting at anytime – use the gate combination on back of your membership card.

NEXT BOARD MEETING

The next board meeting is set for Sunday, March 6th at 6PM at the clubhouse. Any member is welcome to attend a board meeting at any time. Free beer and pop at all board meetings. To be added to the agenda, please call Jesse Koeshall 715-570-8664.

SUMMER LEAGUES

Summer leagues begin May 5th with the Thursday fun shoot on April 28th, and will run for 18 weeks to end on September 1st. There will be NO rain dates, as the makeup time has extended from Friday through Tuesday. The July 4 holiday week will not be skipped (July 4 is a Monday). League will start with 12 weeks of 3D, and follow with 6 weeks of Broad head. We are always looking to get new members for the league, if you know of someone or a team who wants to shoot contact Mike Van Dreel 341-8465.

3D SPONSERSHIP PROGRAM

We are continuing the 3D target sponsorship program that was started in 2009. The club continues to purchase new 3-D targets to be used for leagues and 3-D shoots. To help recover the costs of these targets, a sponsorship program was set in place. With the program the sponsor is responsible to purchase a new target from the club and maintain their target as determined by the club. In return the sponsor will receive an advertisement sign installed on a bow hanger at the target on the 3-D course. If you or you know of anyone interested in sponsoring a target please contact Kevin Garrigan 886-5020.
