League Clean-Up

Thank you to all members participating in the winter leagues.

Each indoor league is responsible for cleaning up after each league night. Most of the leagues have a system in place for clean-up responsibilities. Clean-up includes, but is not limited to, restocking beer cooler, disposing of trash, sweeping the floor and mopping if needed, washing dishes and disposing of used targets. Remember to turn off the lights, turn down the heat and lock up the cooler.

Annual Venison Feed ☺

It's that time of year again! This year's venison feed will be held on Sat. **March 15th**. Doors will open at 5pm and supper is at 6pm. Bring a dish to share and your own table service. You need to bring in your venison by Thursday March 13th. There will be free beer and soda until the beer is gone. After that the cost is 50 cents for beer and 25 cents for soda. Awards for Summer Leagues and work incentive program will be given after supper. There will be raffle prizes. All members of 2007/2008 are welcome and encouraged to come, we are looking forward to another good party!

Donations for prizes are needed.

Please see Scott Walker with any donations you get.

Once again this year partial proceeds from the raffles will be donated to a worthy cause (USSA). If there is anyone that would like to help with handing out the prizes and raffles, please talk with Scott or any other board member.

Work Party

Two work dates have been set up for spring clean-up and maintenance of the club grounds. They are: **April 17th and April 24th**. **There is plenty of work for both dates!**

If these dates don't work for you, please come any time that fits into your schedule. Not sure what to do, a list will be posted on the chalkboard at the club or call a board member.

Some of the things that need to be done include: raking pinecones, removing debris, removing dead trees, limbs, etc. Please bring tools to work with, such as rakes, shovels and wheelbarrows. There's plenty to do for everyone, and your participation is important and it is a good way to earn member or open access work hours.

If members need help with a particular project or notice things that need to be done, let a board member know, get a group together and get the job done.

Open Access

Current Open Access members, remember to pay and sign-in before shooting. Please turn lights off and heat down before leaving.

To participate in Open Access next year, a member must work 25 hours at the club, 8 of which need to be done during a sanctioned tournament. Members who qualify can use the indoor range for shooting at any time. All members can use the outdoor range for shooting at anytime-use gate combination on back of card.

If you wish to participate in Open Access for the year 2009, work must be accomplished during 2008.

Next Board Meetings

The next board meeting is set for Sunday, April 6th at 6:00 p.m. at the clubhouse. Any member is welcome to attend a board meeting at any time. To be added to the agenda, please call Bonnie Garrigan at 886-5020.
