WORK PARTY

Thank you to all members participating in spring cleanup nights and the epoxy flooring project. A lot was accomplished, thanks again to those who pitched in. If these dates didn't work for you, please call a board member because there are other things that can be done.

MEMBERSHIP HOURS

A lot of new members have joined this year, WELCOME. Remember to sign up in the shoot book located at the bar to schedule your Tournament work (4 hours needed per family/single membership a year) hours. The gate combo is written on the back of your card so you can come and enjoy the outdoor facilities whenever you wish.

OPEN ACCESS

Want to participate in open access next year? Members who qualify can use the indoor range for shooting at any time. To participate next year a member must acquire 25 work hours, 8 of which shall be tournament work hours. These hours must be acquired in 2010 to obtain open access for 2011.

ANNUAL VENISON FEED

This year's venison feed was held on Saturday March 20th.

Once again this year partial proceeds from the raffles were donated to a worthy cause (Austin Sipe Family). From your help Antler Archers donated \$700 to the Sipe Family.

NEXT BOARD MEETING

The next board meeting is set for Monday July 12th, 2010 at 7PM at the clubhouse. Any member is welcome to attend a board meeting at any time. To be added to the agenda, please call Mike Bohn at 340-9085.

JULY STATE WIDE SMOKING BAN

Under the current state wide smoking ban that will go into effect July 2010, Antler Archers club house will follow the new law and will become smoke free in July. The board is going to continue checking into the subject and any member willing to assist in the matter can call Mike Bohn at 340-9085

SUMMER LEAGUES

Summer leagues began May 6th and will continue for 16 weeks to end on August 19th. There will be NO rain dates, as the makeup time has extended from Friday through Tuesday. The July 4 holiday week will not be skipped (July 4 is a Sunday). League will start with 8 weeks of 3D, and follow with 8 weeks of Broad head. We are always looking to get new members for the league, if you know of someone or a team who wants to shoot contact Mike Van Dreel 341-8465 to get assigned team.

3D SPONSERSHIP PROGRAM

In 2009 the club purchased several new 3-D targets to be used for leagues and 3-D shoots. To help recover the costs of these targets, a sponsorship program was set in place. With the program the sponsor is responsible to purchase a new target from the club and maintain their target as determined by the club. In return the sponsor will receive an advertisement sign installed on a bow hanger at the target on the 3-D course. If you or you know of anyone interested in sponsoring a target please contact Kevin Garrigan 213-9988.

!!!NEWSLETTER DISTRIBUTION!!!

The 2010 Board members have discussed the cost and effort needed for the distribution of the newsletter. We are reducing the number of hard copies mailed out to the members.
